COMMITMENT POLICY

This policy recognises that the Safe well being of all personnel working for Concrete Logistics is the responsibility of Concrete Logistics Management. In fulfilling this responsibility, Concrete Logistics Management realises it has a duty to provide and maintain, so far as is reasonable & practicable, a working environment that is without risk to the health of any Concrete Logistics personnel.

This responsibility includes:

Providing and maintaining safe plant and systems of work;

- Making and monitoring arrangements for the safe use, handling, storage and transport of plant and substances;
- Maintaining the workplace in a safe and healthy condition; and
- Providing information, training and supervision for all employees enabling them to work in a safe, conscientious manner.

Concrete Logistics is totally committed to ensuring that its safety policy and procedures meets with all of the relevant regulatory, heritage and statutory requirements and through its policy of continual improvement it will endeavour to improve its performance in the prevention of workplace near miss, incidents and accidents.

The Company Director's are responsible for the implementation and monitoring of safety procedures and this policy.

The safety duties of management at all levels will be detailed and company procedures for training and back-up support will be followed. In fulfilling the objective of this policy, management is committed to regular consultation with employees to ensure that the policy operates effectively, and that, health and safety issues are regularly reviewed.
